You've Got the Time...

If You could listen to the Bible everyday for 40 days, would it impact your life? Would it challenge you to live each day as Christ taught us to? Would it provide peace in troubled times? Did you know that over 65% of Christians in America have never read the entire New Testament?

On Sunday, October 14th, everyone at the church was given a FREE MP3 audio New Testament disc along with a listening schedule for 40 days.

If you haven't picked one up, do so in the foyer and follow the listening schedule below block out just 28 minutes a day to listen to the New Testament.

Place this on your bedside table, refrigerator or in your Bible and take the challenge to listen through the entire New Testament in 40 days...just 28 minutes a day!
