THE
FACE
OF CHRIST

WELCOME TO FIRST CHRISTIAN

The Face of Christ has been depicted throughout history in various forms. Paintings, sculpture, drawings, even poetry and prose fill the world's museums.

People debate what Jesus looked like. Others have attempted to debunk the very existence of the carpenter from Nazareth.

God's Word gives a beautiful description of The Face of Christ. The Old and New Testaments share in presenting Christ for all to know and become familiar.

Jesus described himself to all of those around him. You could say that his description of himself was what drew some and caused others to withdraw their attention from him.

Today is no exception.

Our journey leading up to Resurrection Sunday, April 5, will be to experience The Face of Christ.

- His Face of Compassion March 15 (sermon on website)
- His Face of Humility March 22 (sermon on website)
- His Face of Redemption March 29
- His Face of Glory April 5

Welcome!

Today in our worship we celebrate the fact that Jesus makes it possible for us to Belong to God, Connect with one another, Grow in faith, and Be the people who are called by His Name.
